## Project Consortium meeting Copenhagen, Denmark

### Arrival Sunday 25 March 2007

HoBo participants are expected to arrive Sunday evening. For early ones a get-together dinner is organised at 7 PM in a restaurant near the hotel (Central Copenhagen).

**Hotel:** Absalon Hotel, Helgolandsgade 15 · DK-1653 København V  
Phone: +45 33 24 22 11 · Fax: +45 33 24 34 11 E-mail: info@absalon-hotel.dk

### Monday 26 March 2007

10.00 Opening

10.15 **Asger Høeg** (president of Ecsite and director of Experimentarium): How does Ecsite members cooperate with the formal school sector and how can Science Centers contribute to better science education in the schools?

11.00 **Hannu Salmi** (project manager HoBo, Heureka): HANDS-ON & BRAINS-ON: learning in science centres as open learning environments.

12.00 How can modern museum pedagogy work together with the formal school sector? **Jens Dolin**, Copenhagen University Museums.

13.00 Lunch

14.00 Participants are divided into two groups.

The first group will work with questions and dilemmas the Science Centers are handling in relation to primary school visits in the exhibitions.

The other group will work with the challenges Science Centers (and other institutions) are facing, while working within the primary schools with new and experiment-based methods in the science subjects.

The groups will summon up and present to the plenum.

Debate in plenum.

17.00 End of meeting

17.00 HoBo participants only: Special tour in Dialogue in the Dark. Snacks and drinks in the dark café.

19.30 Dinner at the lakeside (restaurant Cassiopeia, at Tycho Brahe Planetarium, Gl. Kongevej 10, 1610 København V, Tlf.: 33 15 09 33)

**Tuesday 27 March 2007**(Leo is chairman of the meeting Tuesday)

9.30 EGO-TRAP tour together with 6. grade from Ordrup School. Each participant will join a pupil and try this special experience in the exhibition. It is likely to be the first trip in the HoBo-modified "low-grade" version of EGO-TRAP.

11.30 Summon-up in the whole group of what happened. What are the learning aspects of this kind of educational tools?

12.15 Lunch

13.00 Danish school system, field visit to our neighbour school Hellerup Skole. The principal Knud Nordentoft will take us around and do an overall presentation. Hellerup Skole is a very high-profiled modern school.

15.00 Coffee and summon up of HoBo other matters

15.30 Tour behind the scenes of Experimentarium

16.30 On your own in Experimentarium, we will close at 21.00.
